

6th Annual Takedown Golf Scramble

Rochester's Pre-K to 12th grade wrestling organizations: *Rocket Wrestling Club* , *Rochester Panthers Wrestling Club* and *Mayo Wrestling Association* are once again joining forces to run a golf tournament. The main goal of this event is to get our sponsors, wrestling friends, alumni, and parents together to have fun. However, just as important, it is a fundraiser to support Rochester's wrestling athletes. The tournament will use a scramble (bestshot) format with a variety of contests (longest drive, Closest to the pin, etc.) throughout the course. Team recognition prizes to multiple teams. Following golf, there will be an informal meal as well as guest speaker. Non-golfers are encouraged to join us for the meal and speaker for a \$20 charge.

Rochester Youth Wrestling Clubs Goals and Fundraising Goals

Club goals There are currently 400 youth wrestlers involved in Rochester's three wrestling clubs. They range in ages from pre-K to 12th grade. We believe our three organizations teach our children about life and its challenges through the sport of wrestling. A wrestler needs to be disciplined, dedicated and committed to the goal. Our goal is to help develop well rounded young people who will learn the wrestling fundamentals and importance of responsibility, hard work, determination, sportsmanship, academics and community pride along with the love of the sport, wrestling.

Fundraising goals With any active competitive sports team, there are many expenses incurred by the three Rochester wrestling clubs. Uniforms, equipment, insurance, practice room rental and tournament fees are just the beginning. (Wrestling mats cost approximately \$10,000.00) Our goal is to attain enough funds to offset the financial demands of operating the three clubs and keep registration fees to a minimum. We would also like to be able to help pay for those who otherwise cannot afford to participate. We hope with the help of our community sponsors, such as you or your business, we can meet or exceed our goals for the upcoming wrestling season.

Rochester's wrestling clubs continue to grow. We want to remain competitive with other Minnesota community wrestling programs. Your financial contribution will go a long way to supporting our current and future wrestlers.
