Owatonna	14	32
Mankato	16	30
Austin	25	22

Grapplers Seize

Good student and adult attendance at the evening meets and a heavy out-of-town following spurred the "A" wrestling squad to a district championship, third place in final regional standings, and representation in semi-final state competition. In the district contest, held at John Marshall, eight wrestlers qualified to travel to the regionals. Here Howard Penz and Bill McNiff, who took first and second respectively, became eligible to compete on the state level. Howard reached the semi-finals where he was defeated by the state champion. The squad's 7-3 season attested to steady individual and team improvement in skill, strength, and endurance made by the grapplers to meet the challenge of competition. The wrestling team is looking forward to another successful season and hopes for capacity audiences.

Maynard Hoffmann displays his championship form at the district tournament and soon captured a victory.

Horseplay relaxes Gary Wellner as he somersaults over obliging Lee Woolley.

A Series Of Victories

Team spirit was high as the boys practiced the more than two hundred wrestling holds involving every muscle in the body. In contrast to the large number of holds, only five situations score match points. The "B" squad will provide experienced members for future varsity squads.

"B" squad berths were filled by: front row—Jim Dahl, Gary Wellner, Dave Faulconer, Bob Sorenson, Larry Blum, Bob Smith, Ken Stanford; second row—Ed Wilson, Keith Tretinyak, Larry Poffenberger, John Philo, Gary Ingalls, Dave Krier, Bill Heinz, Stan Rude, Nat Wong.
