

## With a respectable 5-6 record Grapplers improve this season

The 1970-71 John Marshall wrestling squad, coached by Mr. Ron White, finished dual competition with a 5-6 record this year. They "lost a couple of kids at the beginning of the season who could have made a big difference," according to White. "We weren't really out of any meets, and those couple of kids could have been the difference between an 8-3 and 5-6 season."

In District III competition the JM team captured second place honors, advancing seven individuals to the region tournaments. One of those seven grapplers was Wally Pike, senior heavyweight, who compiled a 14-3 overall personal record. Others advancing included Steve Muller, Jim Wellner, Curt Padilla, Bob Williams, Dave Campion, and Chris Johnson. In the region, however, the Rocket wrestlers lost all of their first round matches and, because of bad weather, forfeited their consolation contests.

Coach White's comment for next year was, "Well, we can't help but be better. We've got nine men returning and our B-squad was our best ever."

# B-squad grapplers compile "best record ever at JM"

Under the coaching of John Drews, this year's B-squad team posted its best record ever at JM. Compiling an 8-3 record, the team went down in defeat only to Faribault, Albert Lea, and Mankato. The biggest win of the season was against Mayo, 40-7.

Among those who posted many wins and showed great improvement during the year, were Jamie Englund, Kim Clarey, Jeff Roerhrick, Jack Drews, Larry Dison and Ralph Harrison.

Next year's B-squad "looks bright" commented varsity coach Ron White, "especially with our ninth grade program aiding us."
