Wrestlers Pin to Win

Eye contact...it's you and him on that mat, you're alone...but always with the support of the other grapplers. The takedown... the struggle...endurance. The roll of that shoulder, not giving up...an escape! Try to distract him...a half nelson, the pin! Second in Conference...moments of fatigue, losing weight, pressure, excitement, fulfillment. Proving yourself...and being part of a winning team.
