Wrestlers Battle With Desire

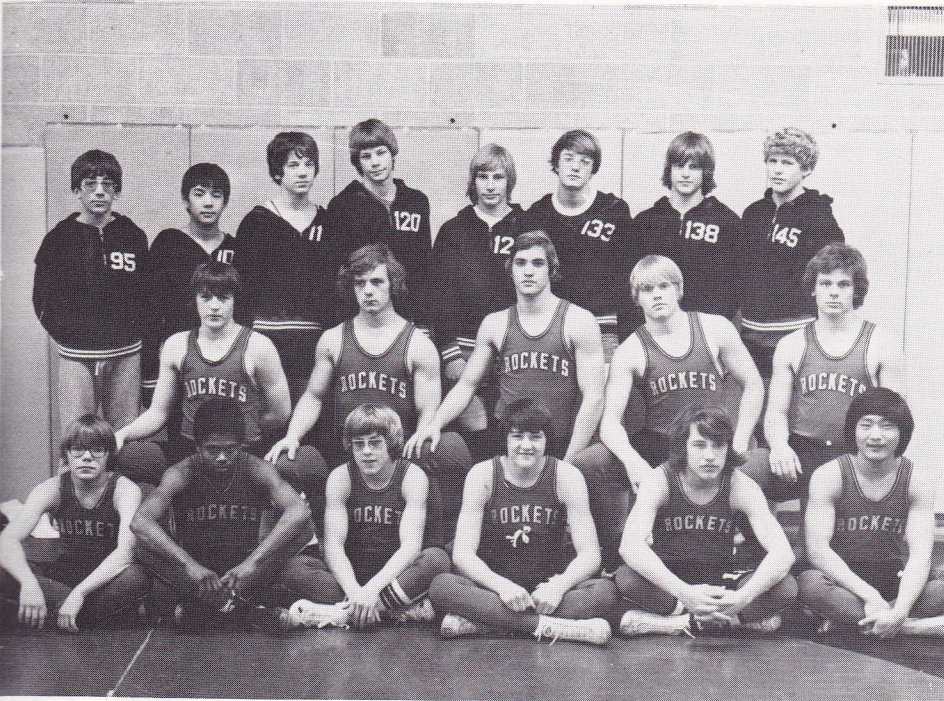

When the whistle blows then you know it's time for you to go into action, it's just you and that other guy, but you know that the fans are with you. Systematically working for a pin, you are thrown to the mat . . .but quickly you struggle away . . . Looking for position, not giving up...finally it's a pin and all the work after school is worth it . . . You've proven to yourself, it can be done and you have conquered an insurmountable goal.
