For the wrestlers this year, it proved to be a successful, yet tough season. The scoreboards may not have been in our favor, but we did become a closer and

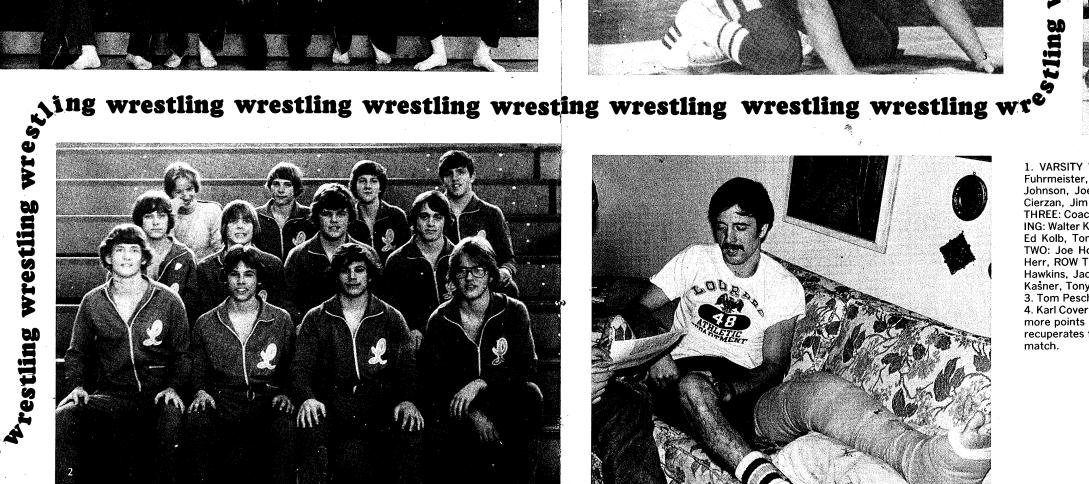

more aggressive team through our hard work.

This year we received the privilege to come against Mayo twice. As other teams, they gave us a good fight. Through our determination to do our best, we won both times.

We managed to come to the finish of our season with a 3-11-1 record. We discovered that to be 'a good wrestler, it doesn't matter whether you win or lose, it's how you take on the responsibility to try your hardest.
