

# PIN HIM!

It was a season of outstanding improvement for the John Marshall Wrestling Team. This hard working group of guys surprised many people with their better-than-expected record.

Ending the season with a 7-8 record, these wrestlers battled against some of the best teams in the state. Coach Dean Jeager maintained his intensive conditioning philosophy throughout the season. Leading the team, captains Tim Fursa (12) and John Adler (12), inspired

the drive and dedication of this young team. Wrestlers Brendan Adams (11) and John and Jeff Adler (12, 11) did a super job during the season, each placing in the regional tournament.

Starting out the season, the team defeated five out of the first six opponents they met. These determined wrestlers fought valiantly every step of the way. At the end of the season, each wrestler felt the confident satisfaction of a job well done.
