Pinning down a good season

"Our Team has been getting better every year since Coach Dean Jeager took over," said Brendan Adams (12), and indeed, the team did a very good job this year. Led by captains Brendan Adams (12) and Jeff Adler (12), the team tied for fifth place in Big Nine competition and came in ninth at regionals. Needing only 2½ more points, the team came disappointingly close to team region competition. The coaching of Dean

Jeager, Pete Ward, and Mark Kuisle, along with a lot of practice helped five wrestlers place in the regional tournament. Brendan Adams (12) and Wade Fischer (10) placed third, Jeff Adler (12) took fourth, and Mark Larson (12) and Nick Ladin (11) placed 6th. Ability, dedication, and hard work made this season one to be proud of!
