Wrestlers reach top half of conference

The 1989-1990 Rocket wrestlers once again tried very hard to reach the top half of the Big Nine Conference.

Coached by Mr. Dan Hayes, Mr. Jack Drews, and Mr. Steve Patton, the Rockets tied Mayo in their last meet, falling short of their goal.

During mid-season, the team finished sixth in the eight-team Burnsville Invitational Tournament, but had three wrestlers do very well individually. Dan Larson(11) finished first, Will Schroeder(11) finished second, and Corey Brown(10) third, for their respective weight classes.

The Junior Varsity also made strides this year. Randy Fite(10) finished second in the Big nine Invitational with several of his JV teammates finishing close behind.

The outlook for next year is bright. "We had a good year individually and we'll have most everybody back for next year," stated Will.
