"Making it

to the state tournament."

With a record of 17-8, the JM Wrestling Team set a new school record for wins in a season, beating their previous record set last year with 15 wins. For the second year in a row, the Rockets finished 3rd in the Big 9 and in Secitons. Even though the Rockets will be losing five seniors this year, they are hoping to continue their winning ways next year. The last year that JM sent four wrestlers to the State Tournament was 1965 and they accomplished that once again this year in sending Garrett Steiger, Nate Redmann, Mike Zenz and Josh Waldee. Zenz placed 5th and Waldee 6th, becoming the first state placewinners in six years at JM! The Rockets are hoping to send just as many wrestlers back to state next year!
